The new instant photo printing kiosk 100% self-service

SPEEDLAB MINI

The Speedlab MINI is an instant photo printing kiosk and 100% self-service. It is ultra compact and adaptable in small environments allowing businesses to diversify their activities.

AN ORIGINAL, MODERN AND FLEXIBLE DESIGN

- It can be supplied with a foot or simply placed on a counter

ULTRA-COMPACT, IT'S ADAPTABLE TO ALMOST ALL ENVIRONMENTS

- It is lightweight at only 65 kg (with base), 37 kg (without), which makes it easy to transport
- A minimal required floor space, only 0.40 sm (with base)

NO SCREEN, NO TOUCHPAD!

With the Speedlab Mini, you can do everything just with your phone : **connect, pay and print!**

THANKS TO MAJOR INNOVATIONS, THIS EQUIPMENT IS VERY EASY TO USE!

- **No app needed!**
- The customer activates his smartphone's Wifi, connects to the Speedlab Mini network, selects and prints his photos directly from his smartphone in a few minutes !
- The payment online by credit card is secured and easy to do
- **QR Code** and **NFC** technologies are available on the machine and allow even faster use!
